Highlights of Roundtable Activities

- Had a discussion of possible professional development opportunities for our members outside of the annual conference.
- Established an informal professional reading group to read and discuss articles pertaining to archival practice or special librarianship.
- Several of our members attended or participated in the virtual AkLA conference.
- Discussed option for a coordinated Archives Month effort among archives in the State. Chair-elect, Jolene Kennah came up with some social media themes and hashtags that we can use to promote our individual events and items in our collections.
- Our quarterly meeting has taken the place of the AK Archivists meeting for that month, which makes the number of meetings more manageable for our members.

Challenge
The biggest challenge of the past year was not being able to have an in-person meeting at the conference.

Goals for the upcoming year

- Coming up with ideas for programming at the 2021 virtual conference that will be useful for our members, as well as being relevant to a broader audience in AkLA
- Continuing to create or promote professional development opportunities for our members outside of the annual conference.
