**HOW DO I REGISTER ONLINE?**

**A**

**LOGIN TO UA ONLINE:** WWW.UAONLINE.ALASKA.EDU

If you receive an error message when accessing the site directly from the web address, simply go to WWW.UAA.ALASKA.EDU and choose UAOnline from QuickLinks menu found on the right-hand side of the page.

If you are new to Alaska or have never taken classes from the University of Alaska (UAA, UAF or UAS), please contact Sally Love (786-1934 or sallylove@uaa.alaska) and a separate set of instructions will be emailed to you.

1. Click on “LOGIN TO SECURED AREA.” Enter your UA ID# and PIN:

   - **UA ID#:** If you do not know your UA ID#, click on the “look up your ID here” link. When the results display, your UA ID# is the 8-digit number beginning with a 3 (The letters displayed below your ID are NOT your PIN). See below for information about PINs. If you are unable to retrieve your ID through the lookup form, please contact the PACE office so we can verify your information.

   - **PIN:** If you have accessed UAOnline before but do not know your PIN, enter your User ID and click on “Forgot PIN?” If you previously set up a security question and answer the question correctly, you will be able to choose a new PIN at this time.

   - When accessing UAOnline for the first time, your default PIN will be set to your birth date (in the format MMDDYY). For security purposes, your birth date PIN will immediately expire and you will be prompted to change your PIN to a different six character string (numbers, letters, and some symbols). **Be sure to create a new PIN that you will REMEMBER!** Following the creation of your new PIN, you will be asked to enter a security question and the answer to that question. We STRONGLY recommend that you choose a question that remains constant, such as “What is my mother’s maiden name?” or “City of Birth?”

   - If your initial PIN (birth date) does not work, enter your ID and click on “Forgot PIN?” Frequently, students do not realize they have accessed the system before and set-up a security question.

   - If you forget your PIN in the future, you can click on “Forgot PIN?” from the UAOnline login page and answer the security question you provided. If the system receives the correct answer, your PIN will be reset to your birth date once again. **If you do not have a security question set up or can’t remember the answer to your question, you must call UAA IT Services at (907) 786-4646 (select option 1 and then option 1 again) - or - Enrollment Services at (907) 786-1480 (select option 2) to have your PIN reset. You may also stop by the University Center with picture ID to have your PIN reset for you.***

   - Please note that if your PIN is reset more than twice in a six month period, you will be required to come to the University Center kiosk with picture ID to have your PIN reset a third time.
2. **Determine Your Registration Eligibility**

- Once successfully logged in, click on “Student Services & Account Information”, then on “Registration,” and next on “Check your Registration Eligibility.”

- From the dropdown menu, select the term in which your course begins and click submit

- On the next screen, if you receive the following message:

You must first re-apply for non-degree seeking admission (to update your non-degree seeking status) before you will be permitted to register. (See Section C below). Alternately, you can call the PACE office to have your non-degree seeking admission status updated.

- On the next screen, if the information displayed states that you have Holds, you can view your holds by clicking on the “Student Services & Account Information” tab, then on “Student Records,” and then on “View Holds.” For Holds due to:

  - Library fines, you will need to call the UAA Consortium Library: 786-1374.
  - Parking fines, you will need to call the UAA Parking Services: 786-1119.
  - If your hold is due to another reason not listed above, you will need to contact UAA Enrollment Services (786-1480) to determine what needs to be done to resolve the issue.
